

TOP GUN Masterclasses

There are 2 types of Masterclasses

1. *Sales Masterclasses*

2. *Sales Manager / Leadership Masterclasses*

- Both are one day workshops on the Gold Coast (or similar locations)
- You'll be working with a small group of like-minded individuals from a variety of Leadership/Business/Management / Sales backgrounds to brainstorm with and bounce ideas off wherever you are on your leadership or sales journey.
- You will have the opportunity to outline your greatest leadership/ sales or business building challenges and get some real world advice and practical strategies from our coaches and delegates that you can apply straight away.
- In the Leadership Masterclasses we will discuss ideas and share strategies so you will also gain a better understanding of what a leader actually is, why they are so important and why leadership must definitely start with you!
- We will discuss ideas and share strategies so you will also gain a better understanding of what a leader actually is, why they are so important and why leadership must definitely start with you!
- In the Sales Masterclasses we will discuss ideas and share strategies so you will also gain a full understanding of what high performing sales professionals are doing today in the real world to get extra-ordinary results.
- You will participate in live Role Plays / Rehearsals and "Hot Seats"
- You will get real life advice and strategies tailored to your challenges
- You will be involved in case studies on exceptional Leaders and Sales Achievers of our time
- You will also have the opportunity to share with the group what's been working for you in your business and/or team.
